### THE SCRAPSTORE HAS RELOCATED

The Scrapstore has relocated due to an electric fire at the premises in Cheney Manor on January 4<sup>th</sup> 2011. We will not be returning to the Cheney Manor premises we have now moved.

Our new premises are located in **West Swindon the old (Farepak Hampers building) now occupied by Office Clearance Wholesale, Bay 5, Westmead Drive, Swindon, Wiltshire SN5 7YT. Near Unipart and the Lighting Bug Shop. Telephone us on: 01793 513982**

We are now able to expand the Scrapstore resource area increasing the variety of materials available to members and visitors. We have expanded the size of the community Re-paint scheme increasing the quantity and variety of paint. The arts and craft shop has also increased in size offering a larger selection of paints, glues and crafty bits.

We hope to set up new projects including a café which will provide hot food for staff, volunteers, visitors and other businesses in the local community, a construction reclamation project which will enable us to collect businesses redundant construction materials such as sand, gravel, bricks, cement and many more types of construction materials. We will also be able to offer in house arts & crafts workshops in our new premises.

We are beginning to set up a used office furniture area within the Scrapstore where local schools, community groups and local people can come for all there office furniture. All the Scrapstore resources are supplied at low cost and of good quality to everyone.

We will increase the number of volunteer opportunities for local disadvantaged young people and increase the number of people that benefit from the services and resources at the new Scrapstore in West Swindon.
