Turning waste things  
into play things

### Re-Location

The Scrapstore has re located due to an electric fire at the premises in Cheney Manor on January 4<sup>th</sup> 2011.

Our new premises are located in west Swindon the old (Farepak building) now occupied by Office Clearance Wholesale Westmead Drive, Swindon, Wiltshire SN5 7YT.

Our new building is much bigger, roughly 26,000 square feet over three floors.

We are now able to expand existing projects and develop new projects such as a café, construction reclamation project, used office furniture and I.T project. We will increase the number of volunteer opportunities for local disadvantaged young people and increase the number of people that benefit from the Scrapstore services and resources. We are also still running the Re-paint scheme.

### South West Regional Hub.

Scrapstore's all over the UK are considering making regional Hubs where stock will be held and because of the size of the new premises we are looking to become the Hub for the south west region.

We are still appealing for some stock if anybody has any donations, it would all be very much appreciated.

### Environmental Centre

We would love to make our Scrapstore Swindon's environmental centre. There's enough space so we should be able to do it.

As we are an environmental charity we think that this would be a big benefit to the local community to have an environmental centre so close by.

### Opening Sale

Opening Sale, when we re-open we are going to have a one week sale 20% off of everything. So why not get yourselves down and see what bargains you could grab.

The only product that will not be on sale is the paint which we will still be selling for £1 a litre.

## Partnerships

We are currently looking for partnerships and suppliers in;

**Construction reclamation**

**Restaurant and cafe.**

**Dance and Music**
