### **Scrappers Gym**

Two former boxers have joined forces with Swindon Children's Scrapstore to help young people get fit and focused. Multi-nations Games Silver Medallist and Swindon's first ABA Champion Paul Rogers and Andy Brown, two-times British kick boxing champion, are launching Scrappers Gym at the Scrapstore in Westmead and they are appealing to local people for kit to get them started. "We are giving our time for free to help local youngsters get fit, get focused, and stay out of trouble," said Paul. "We're hoping local businesses and the Swindon community to donate cash or equipment to help the gym punch above its weight." If you would like to donate any gym equipment please contact Scrapstore via the number below.
